

Máquina
CNC

```
graph TD; A[Máquina CNC] --- B[Controlador CNC]; B --- C[Mando a distancia];
```

The diagram illustrates a control system for a CNC machine. It consists of three main components connected by lines. At the top left is a green rectangular box labeled 'Máquina CNC'. A vertical blue line connects this box to a light purple rectangular box labeled 'Controlador CNC' located at the bottom left. A horizontal blue line then connects the 'Controlador CNC' box to an orange rectangular box labeled 'Mando a distancia' located at the bottom right.
